

Equipment

HIRE:

£60 per term OR £150 per year for a set of two posts.
(suitable for 16 children to play at the same time).

OR

£250 for 2 sets per year.
(Suitable for a whole class of 32 children on two courts).

BUY BACK SCHEME:

If you take part in the Club School Link, London Korfball will reduce the cost from £780 to £580 per set of posts.

AND

If you no longer want them, we will buy back the posts in the first year at 90% (£520). This reduces to 60% in year 2.

The posts come with a 10 year warrantee.

All prices include delivery and collection.

KORFBALLS (size 4 or 5) cost £29 per ball when ordered at the same time through London Korfball. We suggest ordering a minimum of 4. There is no buy back on balls. Also available is a 'Teaching Children Korfball' Manual at £25 which includes 10 lesson plans.

The aim

We are looking for schools to introduce this fantastic international sport and establish a long term link with your local club. We will give you as much support as possible and look forward to working with you for a new generation of athletes from our boroughs. We will invite you to tournaments and help set up a community club if you want. We have the opportunity to set this generation on the path to representing GB at the 2028 Olympics.

KORFBALL

IN YOUR

PRIMARY SCHOOL

WHAT IS KORFBALL?

Korfball is the **only team sport designed to be mixed, and it works.** It is fast-paced, dynamic and children love it. It will be in the **2028 Olympics.**

Google KORFBALL and view some games on Youtube.

OR email development@londonkorfball.com

Wide open space, freedom to move, unique 360 degree all round shooting, 1 on 1 marking and mixed gender rules, makes it a fantastic challenge.

PE Co-ordinator at St Josephs Primary Schools said. “ **What you have taught the children in 3 weeks is more than we have managed in a year. Their individual skills have shot up. We want more...**”

For beginners, a Netball size court is adequate. You will need a half way line added and two posts placed in the centre of each half. This allows players to shoot from behind as well as in-front of the 'korf', something the children really enjoy. (Netball posts are unsuitable).

The origins of the game are in The Netherlands - the word 'korf' is simply Dutch for 'basket'. School-teacher Nico Broekhuysen founded the sport in 1902 so that boys and girls could play together on equal terms, encouraging team work.

WHAT WE CAN DO FOR YOU

Create a link with London Korfball, a Change4Life sport org, which supports in-school coaching, after-school clubs and weekend competitions. London Korfball is expanding its support for primary schools through its club-school link programme in:

Sutton, Croydon, Wandsworth, Bromley, Merton, Harrow, Hillingdon, Brent, Ealing, Barnet

Head of PE at Harrow High said. “**I have never seen the girls play with so much confidence with boys in the same team..... we will continue with this sport**”

This is an ideal opportunity to use your **Olympic Legacy Boost** money on this Sport England supported project, and secure next year's funding. <https://www.gov.uk/government/news/olympic-legacy-boost-150-million-for-primary-school-sport-in-england>

Single coach with Teacher support		2 Coaches No Teacher		
Sessions on same day	Cost	8 Week Package Cost	Cost	8 Week Package Cost
1 hour (1 class)	£35	£240	£60	£440
2 hours (2 classes)	£60	£440	£110	£800
3 hours (3 classes)	£85	£600	£160	£1100
4 hours (4 classes)	£100	£700	£190	£1300

DIY—LEARN HOW TO TEACH KORFBALL

If you want to learn to teach it yourself, then the 3 hour EKA Introduction To Teaching Korfball is for you, either

- an INSET half day, up to 20 people (£250)

OR

- a Borough course, up to 20 (£30 per person).
